TRICO INSTRUMENTS

Manufacturers & Exporters of Quality Dental, Surgical & Beauty instruments

DEAR VALUABLE CUSTOMER

Trico is a leading manufacturers and exporters of all kinds of single use and reusable Surgical & Dental instruments to worldwide. Our manufacturing unit is located at Sialkot Pakistan, a world's renowned city for the manufacturing of Surgical & Dental Instruments. This is our family business, so we have worked hard to build our reputation in this evolving industry and our satisfied customers are our strength.

Our products are manufactured by using the best quality stainless steel as **AISI, ASTM** and **DIN** standard's recommended which is imported from **Germany, Japan** and **France**. All of the Surgical & Dental Instruments supplied by us are **ISO 9001:2015, ISO 13485:2012** and **CE** marked certified in accordance with the Medical Devices Directive. The key to our success is our quality assurance. We use the right material for the right products. We are also **OEM (Original Equipment Manufacturers)** and provide customise packaging to our customers.

We have vast range of different instruments available in our stock ready to be shipped for fast delivery to our valuable customers. By using the traditional craftsmanship and latest precision technologies. We are able to manufacture the instruments that are compatible and complete with the highest standards and quality of international markets. **Trico** is strongly determined to provide a dedicated service to customers that is built on foundations of quality and cost effectiveness.

Trico prices are very competitive and very flexible with customers provide maximum co-operation. Our company's motto is to keep customers satisfy because your satisfaction is our business.

Our Mission At Trico

1. To provide our customers with outstanding customer support and provide premium quality Surgical & Dental instruments at the best and competitive prices.
2. To provide our customers with friendly support, easy-to-use ordering system.
3. To provide our customers with the latest products available.

Our Policy at Trico

1. To be the market leader in supplying the best and premium quality Surgical & Dental instruments at highly competitive and affordable prices.
2. Fully understand the requirements of our respected customers and satisfy them.
3. Strongly follow the policy "**Customer First**" and "**Quality First**"
4. To continuously develop our technical expertise on the basis of technology, customer's feedback and quality workforce
5. To form strategic joint ventures and distribution around the globe and to fulfill our social, ethical and industrial obligations in the most effective and efficient manner.

Our Strategy At Trico

- 1) It is our utmost priority to serve our valuable customers with fair dealing, honesty, sincerity, truth, trustworthy relationship and cooperation.
- 2) We always cordially welcome our valuable customer's opinions, suggestions and recommendations.
- 3) We give replacement against defective goods, if the mail function occurred at our end.
- 4) The stainless steel used in the production of purchase order is exactly as per approved samples.
- 5) Normally for cutting instruments like Scissors, Knives etc. we use (AISI 420 Grade) premium quality stainless steel.
- 6) For non-cutting instruments like Forceps, Tweezers, Impression Trays etc. we use (AISI 410 & AISI 304 Grade) premium quality Stainless Steel.
- 7) Moreover, we can use also the material as per our customer's requirements and demand.

If you would like to get our price list, interested to see our samples for quality assessment, would like to be our distributor or want to get more information about our premium quality instruments, please feel free to contact us for any information. Thank you very much for your precious time and looking forward to get business from you.

We, at Trico would like to
THANK YOU

for taking the time to browse through our catalog.

We realize we do not quite follow the norms.

We focus on expressing our total commitment to perfection
when it comes to production-be it a catalog or an instruments.
We have tried to convey to you our colleagues and friends that
our instruments are designed to enhance your life so that you
may continue with the beauty in life that it brings.

Precision - Perfection - Persistence
